

VIA-CHEM VIA-BOND
Cyanoacrylate Super Glue, Epoxies, Adhesives, Cements, Hooks & Klips

ABOUT VIA-BOND PRO ADHESIVES

Via-Bond is a division of Via-Chem (www.via-chem.com). We are a 30 year+ Montreal based Supplier of **Cyanoacrylate & Epoxy Adhesives**. We have a retail division that markets over **50 Carded Adhesives and Plastic Organizing Hooks**. We are proud to work with many Canadian Retailers and make **Private Label Adhesives** for *Canadian Tire* and *Home Hardware*.

Via-Bond is our **Industrial / Professional Division**. Our Professional Grade Cyanoacrylate & Epoxy is used in dozens of Industries such as *Watch & Jeweler Repair, Electronics, Wood Shop, Shoe Repair, Bearings & Gaskets, Nail Care* and *General Industrial Supply*.

We are pleased to offer a simplified line of some of the best Domestically Produced **Cyanoacrylates (Super Glues)** in **Thin, Medium, and Thick Viscosities**. Our **Epoxy Syringes** are offered in **Fast and Slower Settings**.

All products are kept in our Montreal Warehouse. As a Canadian Company you do not have to incur costly Customs Duties and Brokerage Fees. **We can get you product in 48 hours.**

We are also please to provide you with your OWN BRAND - PRIVATE LABEL. This is very easy to obtain. Please ask us about this.

We are very pleased to offer you more information and a sample pack. Please contact us with any questions.
